

## Emergency Nursing Pediatric Course Designed for Nurses by Nurses

### Did You Know ENPC...

- Meets 12 of the 13 clinical and professional competencies as specified in the Joint Policy Statement – Guidelines for Care of Children in the Emergency Department Appendix\*
- Offers a four year verification of your knowledge and skills upon successful completion
- Utilizes evidence-based information for nurses providing emergency pediatric care
- Offers the opportunity to earn 15.33 contact hours

### Why You Need ENPC

ENPC is designed to help you learn core-level pediatric knowledge and the psychomotor skills needed to positively affect patient outcomes in emergency departments. It presents a systematic assessment model; integrates associated anatomy, physiology and pathophysiology and identifies appropriate interventions.

### Highlights Include:

- Performing a systematic triage assessment
- Identifying subtle changes that indicate a worsening condition in a pediatric patient
- Cultural considerations
- Pain management
- Techniques for interacting with the child and family
- And more...

### Benefit From Interactive Learning

Using a variety of formats, including lectures, hands-on demonstrations and skills stations, you have the ability to integrate your psychomotor knowledge into a patient situation in a risk-free setting. Plus, expand your personal growth by collaborating with nurses from a variety of practice settings.

### Take the Course Today

To verify why ENPC is right for you, visit [www.ena.org/coursesandeducation](http://www.ena.org/coursesandeducation) and view the ENPC versus other courses comparison chart, course offerings and more.

In accordance with the Americans with Disabilities Act, please let us know if you have any disability that requires special materials and/or services so that appropriate personnel can be advised.

*The **Emergency Nurses Association** is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.*
