Please refer to the Texas ENA Bylaws and Standard Operating Procedures for candidate requirements prior to submitting your officer candidate biographical form

National Level:

Member of ENA since 1990 – Present

2011 Nursing Professionalism Award

Statement to Membership: I have been a member of ENA since 1990 and have practiced nursing since 1987. I have been in the ED since 1992. I believe every nurse can make a difference at every level of healthcare from the bedside to the administrative level we impact patients and families and our community on a daily basis. If your passion is unlimited the difference you can make is boundless. I love the camaraderie of the Emergency Nurses association and the support during these very challenging times in healthcare. I believe my knowledge will be a benefit to the organization and would be honored to serve the members of the Rio Grande Valley.
